Dear Parent/Carer,

I am writing to inform you of my decision to resign as the Headteacher of City Academy Birmingham. I would like to take this opportunity to thank you for the incredible support you have given since my arrival in June 2015.

As many of you will know, for the past 18 months I have been dividing my time between headship in Birmingham and my family in Flintshire. I have now decided to relocate fully and to join my wife and children in North Wales. I will always have incredibly fond memories of my time in the city and I will miss working with colleagues, parents and students. It is my intention to leave the academy at the end of May, after our current Y11 cohort has begun GCSE examinations.

With the academy now in fantastic health and with an excellent organisation now overseeing governance, I am confident that even greater success lies ahead. Rest assured that our sponsor, CORE Education Trust, has already started the process of recruiting the academy's next Headteacher. You will, of course, be kept fully informed.

I wish you and your child the very best for the future. It has been a privilege to lead such a fantastic team of staff and students.

Yours sincerely
