

LET'S DANCE

Photography of Let's Dance 2020

Thank you for being one of the 20 participating schools or groups at next year's Let's Dance Festival. We will be hiring a professional photographer on the night so that parents/carers are able to purchase a souvenir of the show as we are not able to allow photography in the auditorium. Please will you remind parents that they are **not allowed** to video the event or take photos of the children while they are performing. *(Data protection laws for children under the age of 16)*

Before your school can be photographed, please ensure that you have permission slips returned by all performer's parents / guardians. *(I have attached a consent pro-forma or please use your own standard letter).*

Please complete the slip below when you have received **all** children's confirmation slips and return this sheet to me by **February 7th**.

Unfortunately, if I do not receive this form prior to the performance, your school will not be able to be photographed. (If one or more children cannot be photographed we will take a group photo in the daytime but not the evening performance.)

Thank you,

Jo Wait

I confirm that School /college has received all consent forms from performers/ parents/guardians taking part in Let's Dance at The Hippodrome on 30th March 2020 and would like the school to be photographed
